About Rail Projects Victoria, Major Transport Infrastructure Authority

Major Transport Infrastructure Authority (MTIA) comprises of Level Crossing Removal Project (LXRP), Rail Projects Victoria (RPV), North East Link Project (NELP), West Gate Tunnel Project (WGTP) and Major Road Projects Victoria (MRPV).

Rail Projects Victoria, Major Transport Infrastructure Authority (RPV) is the Victorian Government body responsible for the development and delivery of the Metro Tunnel Project, Regional Rail Revival, future Melbourne Airport Rail Link and a portfolio of other rail projects. RPV is responsible for all aspects of the projects including planning and development of the project reference design, site investigations, stakeholder engagement, planning approvals and procurement, through to construction delivery and project commissioning.

Why work with us

Employees at RPV have access to a wide variety of opportunities, with an extensive range of career and capability development programs designed to develop our team. We want you to grow, develop and learn with us. We want your work to provide you with a strong sense of purpose and achievement.

RPV has one of the most progressive wellbeing programs in the industry. We recognise that our people are critical to our ability to deliver projects and achieve key milestones and we understand that a holistic approach is required in engaging, satisfying and retaining our people.

Our vision is to build a safe and trusting environment that values and pursues balance and health and provides a strong platform for continuous development and high performance.

RPV has assembled a skilled team of highly experienced professionals from across the public and private sectors to ensure the objectives of its projects are achieved for the Victorian community.

About the role

Reporting to the Manager, Business Intelligence, the Front-End Developer will be responsible for the development and implementation of web based solutions to drive the digitisation and automation of business processes for Rail Projects Victoria.

Key to the success of the role will be the ability to develop modern and interactive web applications, delivering with a strong focus on the user experience.

About you

You will be a highly focused and driven person who is passionate about contributing to the delivery of public infrastructure, working within a high-performing project team to drive exceptional outcomes. You will have relevant IT qualifications with significant experience or an equivalent combination and/or education. You will enjoy a fast paced, performance focused workplace where you will have the opportunity to work autonomously and develop your career.

If you are looking to step up in your career, this might be just the right opportunity for you!

Key Accountabilities

1. Assist in the design, development and implementation of custom web applications utilising client-side technologies in delivering the required solution.
2. Provide technical support, problem resolution and ongoing maintenance to the existing web applications
3. Provide support to the team with testing, debugging and troubleshooting of web applications currently in development.
4. Provide end user training and assist with the development of relevant documentation for all developed solutions.
5. Participate in the development and prototyping of business process improvement initiatives utilising web tools such as electronic forms, web pages and workflow to digitise processes, where possible

Key Selection Criteria

1. Experience in web development, including with languages such as HTML5, CSS3, JavaScript, JQuery and AJAX.
2. Experience in UI/UX development support responsive design, familiar with UI layout, SASS, Bootstrap and the CSS GRID system.
3. Experience in working with APIs and web services, such as SOAP/REST in interfacing and interacting with the various business systems.
4. Experience in the development of web applications to digitise business processes.
5. Experience in providing support to web applications, including code debugging, troubleshooting and testing of web-based business applications.

Personal Qualities

6. Well-developed interpersonal and verbal communication skills and the ability to convey information to members of a project team.
7. Proven initiative and the ability to prioritise tasks work with minimal guidance to meet deadlines.
8. Ability to work effectively within a team and provide advice and support that meets project needs.

Job Specific Requirements

9. Relevant IT qualifications with significant experience or an equivalent combination and/or education or training.

Other relevant information

How to apply

Applications must be submitted online by visiting www.careers.vic.gov.au. Applications after the closing date will not be accepted.

Immigration and Employment Eligibility

Candidates seeking to gain working rights sponsorship are encouraged to contact rpv-hr@railprojects.vic.gov.au

Applicants will be subject to a probation period of three months. This position is subject to a Police Records Check and Qualification Check.

Equal Opportunity Employer

RPV is an equal opportunity employer and welcome applicants from a diverse range of backgrounds. Applications from Aboriginal and Torres Strait Islander people are strongly encouraged for all positions. Reasonable adjustments for a successful candidate with disabilities will be offered, on request.

Agreement/Award Coverage

Employment with RPV is subject to the terms and conditions outlined in the Victorian Public Service Enterprise Agreement 2016 or for Executive Officer classified positions, the Victorian Public Service Executive Employment Handbook.

Professional Obligations

Successful candidates will be inducted to their crucial role as a public servant in the workplace and are instructed to complete the mandatory Professional Obligations training. The training provides clarity to employees on: professional obligations and responsibilities; appropriate management of information and use of resources (including Information Security, File and Record Management, Information Privacy, Freedom of Information); conflict of interest obligations; receiving and providing gifts, benefits and hospitality; and prevention of fraud and corruption.

Terms and Conditions

Employees must comply with the Code of Conduct for Victorian Public Sector Employees.

Privacy Notification

RPV affirms that the collection and handling of applications and personal information will be consistent with the requirements of the *Privacy and Data Protection Act 2014*.

Health and Wellbeing

Our vision is to build a safe and trusting environment that values and pursues balance and health and provides a strong platform for continuous development and high performance.

RPV takes a holistic approach to wellbeing and offers a comprehensive program that addresses five key pillars of wellbeing: healthy minds, healthy bodies, healthy workplace and cultures and healthy community connections.

What we offer you

RPV has access to a wide variety of opportunities, with an extensive range of personal and professional development programs designed to develop our people and their careers. Working closely with industry, business and the community enables you to make a difference to the economic prospects of all Victorians.

Relocation assistance

Successful candidates may be supported to relocate to Melbourne including air travel, transport of household items and four weeks accommodation.

Diversity @ RPV

At RPV, 'diversity' includes all the ways in which employees differ, and the valuable contribution that all of these differences bring to the Authority. RPV's broad diversity program enables it to more successfully attract, recruit, retain and develop a diverse workforce; fostering greater innovation, greater customer change.

Learning and Development

We want you to grow, develop and learn with us. RPV provides you with access to a range of internal and external learning and development opportunities to support your performance in your role and further your career aspirations. RPV also supports relevant study via negotiated financial assistance and leave provisions for approved courses. Our Performance and Development Plans aim to support and encourage employees in achieving work and career objectives through clearly defined roles, development opportunities and performance targets.

Balancing Work and Life

We understand that work/life balance is an important part of our employees' lives. That's why we have a wide range of flexible work/life balance options including working from home, flexible working hours and generous leave provisions including the 44/52 model of employment and paid parental leave.
