### About Rail Projects Victoria, Major Transport Infrastructure Authority

Major Transport Infrastructure Authority (MTIA) comprises of Level Crossing Removal Project (LXRP), Rail Projects Victoria (RPV, MTIA), North East Link Project (NELP), West Gate Tunnel Project (WGTP) and Major Road Projects Victoria (MRPV).

Rail Projects Victoria, Major Transport Infrastructure Authority (RPV, MTIA) is the Victorian Government body responsible for the development and delivery of the Metro Tunnel Project, Regional Rail Revival, future Melbourne Airport Rail Link and a portfolio of other rail projects. RPV, MTIA is responsible for all aspects of the projects including planning and development of the project reference design, site investigations, stakeholder engagement, planning approvals and procurement, through to construction delivery and project commissioning.

### Why work with us

Employees at RPV, MTIA have access to a wide variety of opportunities, with an extensive range of career and capability development programs designed to develop our team. We want you to grow, develop and learn with us. We want your work to provide you with a strong sense of purpose and achievement.

RPV, MTIA has one of the most progressive wellbeing programs in the industry. We recognise that our people are critical to our ability to deliver projects and achieve key milestones and we understand that a holistic approach is required in engaging, satisfying and retaining our people.

Our vision is to build a safe and trusting environment that values and pursues balance and health and provides a strong platform for continuous development and high performance.

RPV, MTIA has assembled a skilled team of highly experienced professionals from across the public and private sectors to ensure the objectives of its projects are achieved for the Victorian community.

### About the role

The Senior Lawyer will be responsible for providing legal advice and support with a Land, Planning and Environment (LPE) focus to RPV, MTIA.

The role will also interface with the projects' external legal advisors and commercial advisors to ensure a consistent and agreed approach is taken on legal positions which support the project teams' expectations.

## About you

You will be a highly focused and driven person who is passionate about contributing to the delivery of public infrastructure, working within a high-performing project team to drive exceptional outcomes. You will be a qualified lawyer with experience working on large projects. You will enjoy a fast paced, performance focused workplace where you will have the opportunity to work autonomously and develop your career.

If you are looking to step up in your career, this might be just the right opportunity for you!

## Key Accountabilities

1. Provide expert legal LPE, risk management and contracting advice and interface with RPV's external legal advisors to ensure a consistent and agreed approach is taken on legal positions which support RPV's expectations.
2. Provide detailed advice to the project teams, Project General Counsel, and Director Commercial and Legal on LPE issues in relation to construction procurement and delivery, including matters relating to legislation, contracting, interfaces, utilities service providers, property, planning and matters of public law.
3. Assist in the development and delivery of contractual arrangements, preparation of briefs and provision of ad hoc legal advice to achieve desired outcomes within RPV's budget and agreed timeframes.
4. Develop and nurture constructive relationships within RPV, the Office of the Director-General, Government agencies, Rail Transport Operators, the private sector and other key stakeholders in the management of legal activity.
5. Review current LPE and contracting services provided by the branch to identify ways these may be enhanced to maximise value to the project and assist in the implementation of improvements as required.

## Key Selection Criteria

1. Demonstrable experience in confidently providing legal, regulatory and commercial advice in relation to LPE issues on complex infrastructure projects.
2. High level analytical and conceptual skills with the ability to deal with complexity and reason through problems with limited information.
3. Exceptional written communication skills to draft complex legal advice, project documentation, Ministerial briefings and cabinet submissions and present complex information in an easily understood format.
4. Demonstrated practical knowledge and experience of Government legal and planning processes.
5. Excellent interpersonal and communication skills, with the proven ability to engage and manage project stakeholders and build effective working relationships at all levels with internal and external stakeholders and demonstrable experience in influencing, negotiating and delivering positive project outcomes.
6. Ability for strategic and innovative thinking in a complex commercial contractual environment.

## Qualifications

1. Admitted, or eligible to be admitted, as a legal practitioner to the Supreme Court of Victoria or a similar jurisdiction within Australia.
2. Currently hold, or eligible to hold, a valid Practising Certificate.
