

REGIONAL RAIL REVIVAL BALLARAT

WENDOUREE STATION

We are upgrading Wendouree Station as part of the Ballarat Line Upgrade

The upgraded station will feature:

- a new platform and rail track on the south side
- a new accessible overpass linking the platforms
- improved security and lighting
- enhancement of the station forecourt with improved landscaping

This will create enough space for trains to pass each other at Wendouree Station.

It will fix the current problem that sees delayed services from Melbourne terminate at Ballarat and passengers forced onto replacement coaches because trains can't pass in this section.

Construction will be completed by the end of 2019.

WHAT YOU TOLD US

The local community and stakeholders had their say on the Wendouree Station upgrade in 2018 and the information provided has shaped its design

ASPECT	WHAT IS IMPORTANT TO YOU	HOW THE STATION DESIGN CONSIDERS YOUR FEEDBACK
Access and connections	Easy and safe access for all people	The ramps, lifts and stairs leading to the new covered pedestrian overpass will provide easy access to both platforms. The station has been designed to be accessible for everyone, including the elderly, people travelling with children and those with wheelchairs and mobility aids. Improvements will also be made to the station forecourt.
Station facilities	Shelter from the weather including covered pedestrian links and waiting areas.	The new pedestrian overpass will be fully enclosed and the new platform will have roof canopies.
Safety and security	Well lit areas, more CCTV cameras and emergency assistance intercoms	Safety and security is a key feature of the upgrade, with CCTV cameras, lighting and emergency assistance intercoms included in the upgraded station design. The overpass will be transparent and allow people to maintain visibility of the station building and platforms while they cross.

HAVE YOUR SAY

We would like your feedback to help finalise the design for the station, including landscaping.

Drop-in information sessions

Meet our team and view images of the planned station upgrade at our community drop-in information sessions:

- Wendouree Station - Thursday 14 March 5pm to 7pm
- 303 Gillies Street North, Wendouree - Tuesday 19 March 3.30pm to 7.30pm.

ONLINE SURVEY

Provide your feedback by completing a survey at regionalrailrevival.vic.gov.au/ballarat by 5pm, Sunday 24 March 2019. The survey takes 10-15 minutes to complete.

You can also send your feedback via email: regionalrailrevival@railprojects.vic.gov.au or mail:
